

# A Gift in Your Will

*Providing Help Where Help is Needed*

## Free Non-Emergency Medical Flights

Angel Flight Australia coordinates non-emergency flights to help rural people dealing with the triple trouble of bad health, poor finances and daunting distance. All flights are free and may involve patients travelling to medical facilities anywhere in Australia.

Our pilots do not carry aeromedical staff or medical equipment so do not act as an alternative to the Air Ambulance services, however we will fly patients back home from emergency trips.

## Compassionate Flights

Over the years we have identified other ways we can help. We reunited loved ones during COVID and have delivered vital supplies to communities impacted by natural disasters. Angel Flight works closely with a number of well aligned charities and organisations such as BUSHkids and HeartKids as we collectively strive to achieve better health care access for those living remotely.

*Our stories*

# Bella Southern

**Bella is a 14 year old girl who lives on a property 40 minutes from Monto, QLD. In 2022, Bella was kicked in the face by a horse, causing significant facial injuries, including the loss of her right eye. The 7 hour drive to Brisbane for ongoing surgeries was not viable for the Southern family who have used the Angel Flight service 11 times since the accident.**

For a period of 18 months, Bella required specialist medical care at Queensland Children's Hospital, during which time she became an Angel Flight 'frequent flyer'. Our pilots and Earth Angels loved getting to know the remarkably resilient teenager as they transported her from Monto to Archerfield Airport and then onto Ronald McDonald House where she stayed.

***"Bella and her family are indomitable. Bella is as bright as a button with a joyful sense of humour, whilst possessing a quiet yet strong underlying sense of purpose"***

- *5,500kms in volunteer pilots' aircraft*
- *147.4kms in volunteer drivers' vehicles*

## There are three main ways you can leave a gift to Angel Flight in your Will

- **Include a percentage of the remainder of your estate.** This is known as the “residue”. After you have provided for your friends and family, you can leave a percentage of the remainder of your estate to Angel Flight. Any percentage will make a huge difference and this kind of gift won’t lose its value over time.
- **Nominate a percentage of your estate** that you would like Angel Flight to receive. It can be as little as 1% and as big as 100% and this gift will also keep its value over time.
- **Leave a specific amount of money,** real estate or shares to Angel Flight — this is known as a pecuniary gift.

To simplify the process, we’ve provided some helpful wording that you can share with your solicitor.

***“I give, devise and bequeath, free of all duties and taxes \* <\_\_\_\_\_> to Angel Flight Australia (ABN 43 103 477 069) of 130 Albion Road, Windsor QLD 4030 (or its successor organisation) for its general purposes. An authorised receipt from Angel Flight Australia will be a sufficient discharge for the executor(s) or trustee without seeing the final distribution.”***

**\*insert one of the following:**

- **The whole (or ...%) of the residue of my estate.**
- **The whole (or ...%) of my estate.**
- **The sum of \$(amount).**
- **(Details of a particular asset — eg shares or property).**

### ***Already have a Will?***

If you already have a Will and would now like to include a gift to Angel Flight, all you have to do is contact your solicitor to add a “codicil” to your Will, which is an amendment to your existing Will.
